

Geoscience BC's Southern BC Projects

Summary maps showing Geoscience BC's southern BC projects from 2005-2009. More information on all ongoing and completed Geoscience BC projects can be found at:
www.geosciencebc.com

Geoscience BC is an industry-led, industry-focused not-for-profit society. Its mandate includes the collection, interpretation and marketing of geoscience data and expertise to promote investment in resource exploration and development in British Columbia. Geoscience BC is funded through grants from the Provincial Government and works in partnership with industry, academia, government, First Nations and communities to attract mineral and oil & gas investment to BC.
