**REGIONAL STREAM SEDIMENT and WATER GEOCHEMICAL DATA  
PINE PASS (NTS 930), CENTRAL BC**

**Geoscience BC Report 2008-7**

**DIGITAL DATA FILES**

\* \* \*

**File: README.PDF**

Digital data files containing recorded field observations and analytical data are provided in dBase (DBF) and Excel (XLS). Refer to survey PDF files for project methods and explanation of codes for field and analytical variables.

**GBCR08\_7 DATA.\*** Stream Sample Data: field observations; sediment by ICPMS and INAA; fluorine (F) and loss on ignition (LOI) in sediments; and pH, fluoride and conductivity in waters. (906 records).

Considerable effort has been taken to ensure that the data files are free of error.  
Please contact Geoscience BC if any discrepancies arise.
