

-  Geoscience BC Project 2023-003<sup>1</sup>
-  BC Parks, Reserves And Protected Areas<sup>2</sup>

<sup>1</sup>The project outline shown on this map may change depending upon local feedback, ground conditions, weather and permitting.  
<sup>2</sup>Fieldwork for this project will be focused in areas that are outside of BC Parks, Reserves and Protected Areas, and are of interest to mineral exploration. Mineral exploration is restricted in BC Parks, Reserves and Protected Areas.
