

GEOSCIENCE BC MEMBERSHIP

The transition to a lower carbon economy increases demand for British Columbia’s natural resources, and with it the need for quality public geoscience to inform evidence-based decisions, including those relating to critical minerals and metals supply, emissions reduction and cleaner energy generation.

Geoscience BC membership opportunities make it easy for a wide range of partners to **support, provide input, network and stay up to date** on Geoscience BC minerals, energy and water research.

Corporate, Individual, Student and Associate memberships provide a variety of opportunities to suit industry, academia, communities, Indigenous groups and governments as we work towards shared goals.

Membership Levels and Benefits

Corporate
*

Individual
**

Student

Associate

COLLABORATION AND INFORMATION

Profile (up to 100 words):

I agree to adhere to Geoscience BC's Non-voting Member Guidelines (www.geosciencebc.com/about-us)

By providing us with your e-mail address above, you consent to Geoscience BC contacting you from time to time by e-mail regarding research, membership and other promotions. You may withdraw consent at any time by contacting the Geoscience BC Privacy Officer at privacy@geosciencebc.com.

Mail this form and your payment to Geoscience BC, Suite 1101, 750 West Pender Street, Vancouver BC V6C 2T7.

If you have any questions, please email us at membership@geosciencebc.com or call 604-662-4147.

Geoscience BC Non-voting Membership is renewable annually on April 1st, or pro-rated to the month you join.

Visit www.geosciencebc.com/about-us to view our Constitution and Bylaws and other important guidance documents.

The easiest way to join Geoscience BC is online at geosciencebc.com/membership or by scanning the QR code.

Alternatively, you can complete the form below and pay by cheque. Your membership, along with a receipt, will be sent by email once your application has been processed.
