DEGREE PROGRAM: <input type="checkbox"/> M.SC. CANDIDATE <input type="checkbox"/> PH.D. CANDIDATE
START DATE OF GRADUATE PROGRAM (MONTH/YEAR):
ANTICIPATED END DATE OF GRADUATE PROGRAM (MONTH/YEAR):
GRADUATE THESIS SUPERVISOR NAME:
GRADUATE THESIS SUPERVISOR EMAIL ADDRESS:

## OTHER APPLICATION REQUIREMENTS

- A resumé detailing your education and relevant work and volunteer experience has been submitted to Geoscience BC.
- I have arranged for **two** signed reference letters – one of which is to be from an employer – a second professor reference will only be accepted if the candidate has no prior work experience. Both letters are to be submitted directly to Geoscience BC from the following:

1. NAME & EMAIL:
2. NAME & EMAIL:

If awarded a Geoscience BC scholarship, I understand and agree to the following conditions of funding (further outlined in the Geoscience BC Scholarship Application Guide):

- I will acknowledge Geoscience BC and any Scholarship Program Sponsors support in all work resulting from my project.
- I will produce a technical report that will be published (online and hardcopy) in Geoscience BC's Summary of Activities 2024 (draft due October 2024).
- I will present a poster or presentation at a local technical conference (e.g. AME Roundup 2025, GeoConvention 2025) and provide Geoscience BC with a copy of that poster or presentation to be published online.
- I will send Geoscience BC a digital copy of my thesis upon its acceptance by my university.
- I will provide Geoscience BC with a photo of myself and a short project summary, which Geoscience BC may publish.
- I will participate in a Geoscience BC Sponsor's event.
